A

A. Traditional lines and a stately fleur-de-lis make the **Royal Street Urn** ideal for stand-alone display—or try it with topiaries! Does not include drainage holes, so remove plants for watering. (8 1/8" diameter x 13" tall)

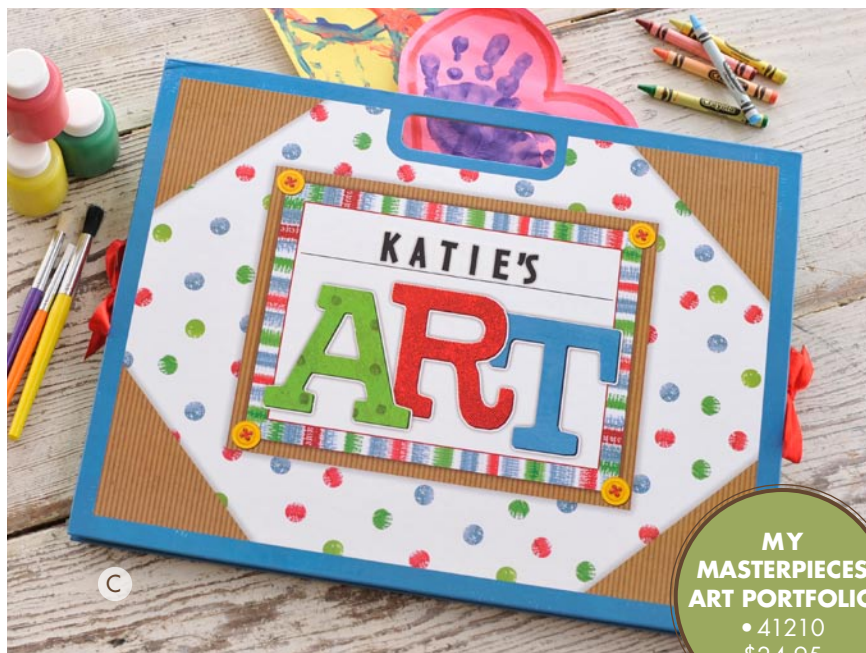

B. Our **Montcrest Adjustable Hurricane** has three height options, so you'll find the perfect fit. Glass insert is bottomless. Will weather when left outside. (10" diameter x 35 1/4" to 43" tall)

C. **My Masterpieces Art Portfolio** features pockets to protect each work of art, and it can be personalized for your little artist. (17" x 13")
